INSTRUCTIONS TO AUTHORS

All manuscripts of papers, short articles and book reviews intended for publication in the 'Transactions' should be sent in duplicate to-

The Editor,
Transactions of the Institute of Indian Geographers,
Department of Geography,
University of Pune
Pune - 411 007.

Manuscripts should be typewritten only on one side of the paper and double spaced. Titles and subtitles have to be brief and precise. Below the title, only the name of the author and his city should be given. Complete address of correspondence should be given at the end. An abstract of the paper not exceeding 200 words has to precede the main text of the paper. Reference in the text should be given in brackets in the order (author and year). Footnotes should not be given unless indispensable.

References, to be given at the end of the paper have to be listed alphabetically by author (with the year of publication after the author's name). The titles of books and journals should be underlined (to be italicised) with volume number to be double underlined (to be set in bold face) followed by page numbers expressed by the first and the last page of the paper. In case of books, the place of publications should be given at the end.

Schumm, S.A. (1977) : The Fluvial System (London)
Bunge, W. (1966) : Gerrymandering, Geography and grouping,
Geog Rev. 55; 255-63.

Illustrations should be submitted as clear black originals. Illustrations which cannot be reduced to the 12cm. x 17cm. size will be accepted only in exceptional cases. Captions for illustrations must be typed on a separate sheet, and figures and photos have to be numbered consecutively in Arabic and Roman numbers respectively.

Papers already published or under consideration should not be submitted.

Authors will receive 20 reprints of their articles free of charge.

The editor is not responsible for the views expressed by the authors.

**INDIAN COUNCIL OF SOCIAL SCIENCE RESEARCH
GUIDANCE AND CONSULTANCY SERVICES
IN DATA PROCESSING**

The Indian Council of Social Science Research, in collaboration with the following Research Centres, runs a Scheme called Guidance and Consultancy Services in Data Processing for the benefit of Ph.D. scholars and other young researchers in social sciences. Researchers can avail guidance in statistical analysis of data collected as part of their research studies, formulation of research design, construction of research tools for data collection and related problems. The scheme provides for meeting the actual cost of travel (2nd Class Rail/Bus fare) and a reasonable per diem for the duration of their stay at the specified Centre. In addition, depending upon the merit of the case, the Centre may defray a part of actual computer expenses involved in data processing. Interested researchers may write for further details to one of the following Institutions close to their normal place of work :
