Sachidanand Sinha is Professor of Social Geography and Regional Development studies. He taught at the Centre for the Study of Regional Development, JNU, New Delhi for 34 years. He was the Chairperson of the Centre from 2017 to 2019, and also Coordinator, UGC Centre for Excellence in Geography. He began his teaching career at the M.D University Rohtak in 1984 and served the university till April 1988.

He works in the area of socio-spatial characteristics of access to education and health care with special reference to the marginalized and vulnerable sections. He has served on several committees and working groups of various ministries both for the Central and state governments. He has many books and research publications to his credit.

He is on the Editorial Boards of a number of international journals.
